

MIGHTY-MAX[®] FENCE FEEDER

Maxi-Lift Inc.[®]

MIGHTY-MAX FENCE FEEDERS

Portable, easy to install, and tough, the Mighty-Max fence feeder is the most versatile livestock feeder on the market. Quickly and securely snaps onto any chain-link or wire fencing. Built with two spring link clips installed on a super tough HDPE feeder, it can take the toughest animal and weather abuse. This is the ideal feeder for show pens, trailers and fenced areas. Keeps feed up off the ground and reduces waste.
